Big Shots Girls Basketball Program is for girls who love the game, want to improve their skills, and who might not otherwise, have the opportunity to participate outside of a school/park district team. Big Shots has many expenses including gym rentals, insurance premiums, and uniforms, (which are included in player's fees). Due to the very low fees that we charge, we are always looking for any donations or sponsorships from very special and generous individuals who support our program. We are very happy to accept sponsorship for a specific player who cannot afford the fees and we are very grateful to anyone who wishes to donate money to help us defray some of our operating costs such as tournaments and gym space. In-kind donations, such as basketball shoes, warm-ups, knee pads, bags, etc. would also be very appreciated.
